

# Conference Hertfordshire Locations

We are a single campus university with two main sites: College Lane Campus and de Havilland Campus. The two sites are less than one km apart and are linked by pathways, cycle routes and the University shuttle bus.

## By road

Located off Junction 3 of the A1M our campuses are easily accessible via road. 5mins from the M25 and 10mins from the M1.

## Park and Ride

The University has park and ride facility providing 800 car park spaces and free regular shuttle services to the Hatfield campuses. Angerland Park and Ride is located on the south side of the College Lane Campus on South Way A1001.

## By rail

Hatfield is less than 30 minutes by train from Kings Cross, London. Hatfield station (two kilometres from the campus) is served by trains from London Kings Cross (usual journey time 22 minutes) and Moorgate (usual journey time 40 minutes), as well as local services from Cambridge and Peterborough.

Direct local trains run between Hatfield and Stevenage (journey time 15 minutes) connecting with Intercity services to the North.

There is a taxi rank and bus stop at the station for connections to the campuses. A shuttle bus service operates regularly throughout the day between the College Lane and de Havilland campuses.
